

bag it is your life too plastic?

CITY OF SAN JOSE

& COUNCIL MEMBER PIERLUIGI OLIVERIO

*This Documentary is a Powerful Look
at the Impacts of Plastics on Society*

Americans use 60,000 plastic bags every five minutes, disposable bags that they throw away without much thought. But where is "away?" Where do the bags and other plastics end up, and at what cost to the environment, marine life and human health?

Bag It follows "everyman" Jeb Berrier as he navigates our plastic world.
